## **Polyclonal sheep antibody anti-human IgG, IgM, IgA**

### **Description**

Polyclonal sheep antibody anti-human immunoglobulins IgG, IgM, IgA

**Catalog Number** 468

**Amount** 1 mg

### **Specificity**

Human immunoglobulins IgG, IgM, IgA

### **Preparation**

Purification by affinity chromatography using immobilized human immunoglobulins IgG, IgM, IgA

### **Format**

Antibody solution 1.2 mg/ml in the buffer (0.01M sodium phosphate pH 7.5, 0.1M NaCl, 50% glycerol)

### **Applications and recommended dilutions**

Western blotting, ELISA (x1000), Immunohistology

### **Storage**

Shipping at ambient temperature. Storage 2 years at -20°C or lower

RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, DRUG OR HOUSEHOLD USE

### **Related Products**
