## **Polyclonal rabbit antibody anti-chicken IgY**

### **Description**

Polyclonal rabbit antibody anti-chicken immunoglobulin IgY

**Catalog Number** 637

**Amount** 1 mg (1 ml)

### **Specificity**

Chicken immunoglobulin IgY

### **Preparation**

Purification by affinity chromatography using immobilized chicken IgY

### **Format**

Liquid formulation containing antibody (1 mg/ml) in 50% glycerol, 50 mM sodium phosphate, 0.1M NaCl, pH 7.5

### **Applications and recommended dilutions**

Western blotting, ELISA, Immunohistology

### **Storage**

Shipping at ambient temperature. Storage at  $-20^{\circ}\text{C}$  or lower

RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, DRUG OR  
HOUSEHOLD USE

### **Related Products**

[218 Polyclonal rabbit antibody anti-chicken IgY \(HRP\)](#)

[233 Polyclonal rabbit antibody anti-chicken IgY \(FITC\)](#)
